

**UNITED NATIVE AMERICAN HOUSING ASSOCIATION
RESOLUTION #2018-01**

**A RESOLUTION SUPPORTING NAHASDA
NEED AND CAPACITY GRANTS**

WHEREAS, there are some Indian tribes and Indian housing programs who have extreme and terrible need for more assisted housing and,

WHEREAS, many of these tribes are confronting the reduction of their NAHASDA Indian Housing Block Grants funding and,

WHEREAS, many of these tribes, other tribes who support them and UNAHA have been advocating for several years now for ways in which these tribes might get additional funding and,

WHEREAS, if additional funding was to come from the Indian Housing Block Grant Program, other tribes participating in that program would get less money and,

WHEREAS, it seems Congress recognized both – that some tribes have greater needs than others and that this is currently not being adequately addressed by the Indian Housing Block Grant Program, and

WHEREAS, on March 23rd, Congress appropriated \$100 million of new funding (Consolidated Appropriations Act of 2018) that would be disbursed based on need and capacity and,

WHEREAS we believe that priority in making these new grants should be given to tribes who lost significant funding under the new IHBG allocation data and formula.

NOW THEREFORE BE IT RESOLVED, that the United Native American Housing Association not only supports these new grants, but we also pledge to work with the U.S. Department of Housing & Urban Development to assist in any way we can, to get these new need and capacity grants quickly issued, and

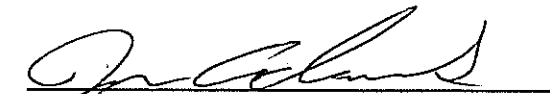

BE IT FURTHER RESOLVED, to do our part to ensure that these funds be allocated only to those tribes with the greatest need and capacity.

BE IT FURTHER RESOLVED, that we call on Congress to provide need and capacity grant funding for each of the next 9 years in a mutual effort to comprehensively reduce the deplorable housing conditions that exist on some of our member's reservations and on many others, and

BE IT RESOLVED, that UNAHA agrees to join and support a nationwide effort to accomplish the goals set out above

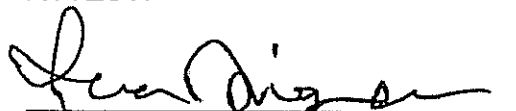

CERTIFICATION
